## “We are not Wisconsin” Forum

Sponsored by the State Employees Bargaining Agent Coalition (SEBAC), the “We are not Wisconsin” forum will feature a panel of workers from Wisconsin, as well as breakout sessions to discuss our plan to protect our rights, our families and our communities.

This forum will help us understand how they succeeded in stealing wages, pensions and healthcare rights and benefits from public sector workers in Wisconsin; and it will show us the devastating impact Walker and his extremist super-rich backers have had on all of Wisconsin’s families and communities.

Please join us on Saturday, April 5 from 9am-noon (lunch provided) at the Middletown High School Auditorium. See attached [flyer](#) and look for more information about the event as it nears.
