Collective Bargaining Agreement

CSU-AAUP and Management have incorporated the changes from the May 27, 2011 Contract Modification Agreement into the 2007 – 2011 Collective Bargaining Agreement (CBA). There were several reasons for this, including 1) a shortage of printed copies; 2) extension of the Agreement until August 2016; and 3) confusion caused by the need to consult several documents in order to determine minimum and maximum salaries as well as other provisions agreed to by the 5/27/11 Contract Modification Agreement.

The updated version can be found on the CSU-AAUP website [here](#).

CSU-AAUP Introduces Part-time Listserv

Last spring, CSU-AAUP held a conference for part-time faculty from all four campuses to share experiences, ideas and concerns regarding part-time employment and teaching and to encourage part-time faculty involvement in campus activities and the AAUP.

The conference concluded with a discussion of potential solutions and as a result of that discussion, the CSU-AAUP agreed to setup a listserv for our part-time faculty.

To request to join the CSU Part-time Listserv, please send an email to Ellen Benson at bensonell@ccsu.edu.

- They will be holding interviews for the CFO position shortly and have identified four individuals to interview.
- The advertisement for CIO is currently being circulated nationally (view job description [here](#)).
